🌐 [Portfolio Link](#)

Experienced WordPress, Shopify, and Frontend Developer with 8+ years of expertise in designing, developing, and maintaining high-quality websites. Seeking an opportunity to leverage my technical skills, problem-solving abilities, and passion for web development to contribute to innovative projects while delivering exceptional digital solutions.

TECHNICAL SKILLS

Fronted Technologies

Proficient in building responsive and interactive websites using HTML5, CSS3, JavaScript, Bootstrap, and Tailwind CSS.

CMS & E-commerce

Experienced in developing and managing WordPress, WooCommerce, Shopify, and WIX websites.

WordPress Expertise

custom theme development, theme customization, plugin customization, Elementor, and Beaver Builder.

Shopify Expertise

Experienced in custom Shopify theme development, theme customization, app integration, and store optimization.

UI/UX Design

Proficient in designing intuitive and responsive user interfaces using Figma, wireframing, and responsive design principles.

Website Optimization

Experienced in implementing SEO best practices, Core Web Vitals improvements, and website speed optimization.

Server Management

Skilled in website migration, hosting management, DNS configuration, SSL installation, and domain management.

Other Skills

Strong knowledge of cross-browser compatibility, mobile-first development, website maintenance, bug fixing and troubleshooting.

PROFESSIONAL EXPERIENCE

Freelance (Present from April 2025)

UI UX Designer - WordPress Developer - WIX Developer

Developed and maintained a wide range of WordPress and WIX websites from concept to deployment, ensuring high performance, responsiveness, and an excellent user experience. Customized WordPress themes, plugins, and WIX websites to meet client requirements while implementing SEO best practices to improve website visibility and performance.

Managed website updates, bug fixes, backups, migrations, hosting configurations, SSL installations, and DNS-related tasks to ensure secure and reliable website operations. Collaborated with designers and development teams to deliver high-quality web solutions, integrated third-party tools and APIs, optimized website speed, and provided ongoing technical support and maintenance to ensure smooth functionality and client satisfaction.

Hello Slate (2023 – 2025)

WordPress Developer - Junior Shopify Developer

Developed and maintained multiple WordPress projects from concept to completion, delivering responsive, user-friendly, and high-performing websites. Managed website updates, bug fixes, backups, and performance optimization to ensure reliability and seamless functionality. Customized WordPress themes and plugins to meet client requirements and implemented SEO best practices to improve search engine visibility and website performance.

Collaborated closely with team members to develop innovative web solutions while managing domain, hosting, and DNS-related tasks to support smooth website deployment and maintenance.

Let's NurtureInfotech Pvt Ltd (2021 – 2023)

HTML Developer - Junior WordPress & Shopify Developer

Developed, customized, and maintained WordPress websites, Shopify stores, and responsive web applications using HTML, CSS, JavaScript, PHP, and Liquid. Worked extensively on website customization, content updates, security enhancements, troubleshooting, and performance optimization to deliver fast, secure, and user-friendly digital experiences. Built and customized WordPress websites using Elementor and Beaver Builder, developed Shopify themes, integrated third-party apps, and ensured cross-browser compatibility and mobile responsiveness. Collaborated with designers and development teams to implement UI/UX improvements, optimize websites for SEO and loading speed, and deliver high-quality web solutions that met client requirements and industry best practices.

Prudent Corporate Advisory Services Ltd (2016 – 2021)

HTML Developer - Junior WordPress Developer

Developed and maintained responsive websites and WordPress applications, ensuring high performance, scalability, and an excellent user experience across all devices. Collaborated with cross-functional teams, including designers and developers, to deliver intuitive, user-friendly interfaces while implementing modern UI/UX best practices. Customized WordPress themes and website components, optimized website performance, improved loading speed, and followed industry best practices for SEO, accessibility, and responsive web development.

Analytic Solutions (2015 – 2016)

HTML Developer

Developed responsive and user-friendly web applications using HTML, CSS, and JavaScript, ensuring compatibility across various browsers and devices. Optimized website performance to improve loading speed, usability, and overall user experience while conducting thorough quality assurance testing to identify and resolve issues before deployment. Collaborated with team members to deliver reliable, high-quality web solutions that met project requirements and industry standards.
